Standard & Travel Size
Product Showcase

Introduction

Demand for travel-friendly beauty is booming, whether it's on-the-go skincare, try-before-you-buy sampling or travel-friendly touch-ups, consumers expect the same performance, sustainability and aesthetic appeal as full-size packaging.

At ICONS|ICS, we have a wide range of travel-size packaging options in all products categories including petite and portable tubes, jars, bottles, tottles, wands, sticks and more.

A few of our most popular travel-sized products featured on the next slides, but we have many more options available. Contact us at info@ics-world.com for more information.
